

PUQ[®] PRESS

Precision Coffee Tamper

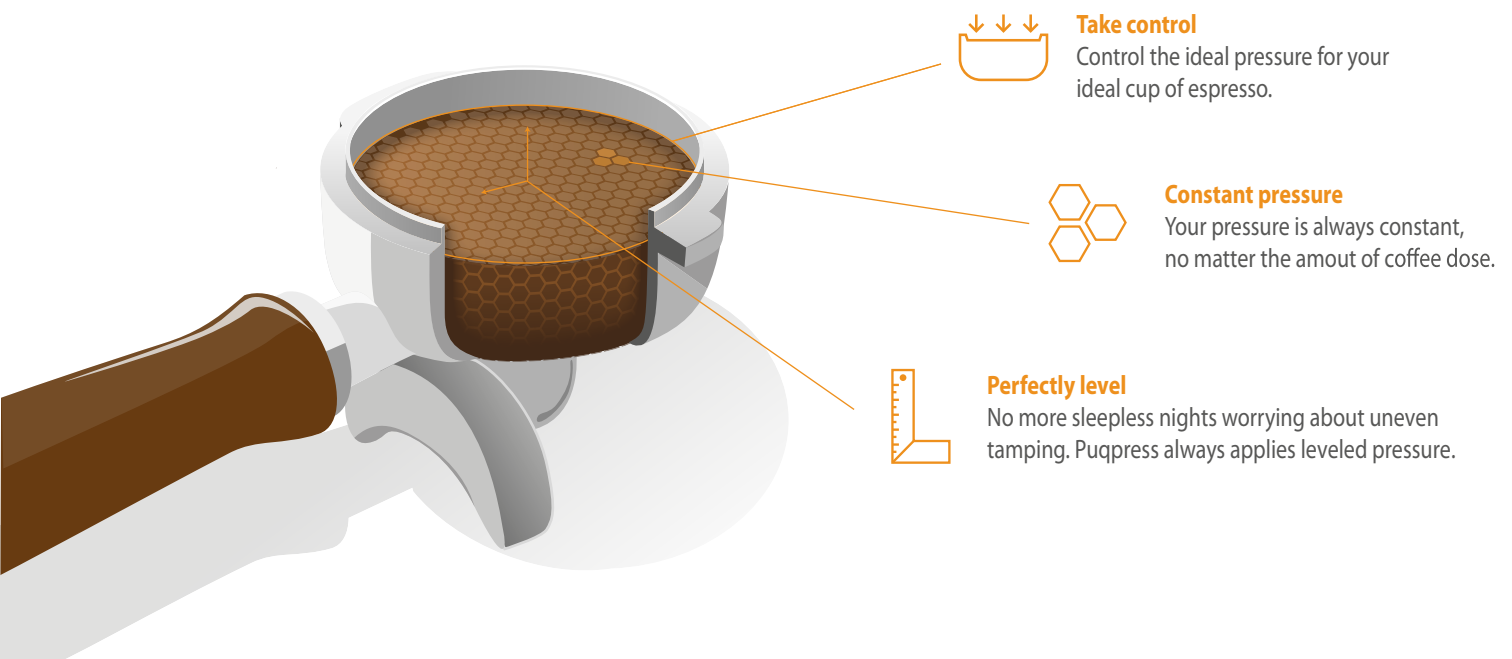

Tamping needs to be exact,
every time.

That's what we believe.

A real perfectionist.

Why we **made Puqpress?**

Take control

Control the ideal pressure for your ideal cup of espresso.

Constant pressure

Your pressure is always constant, no matter the amount of coffee dose.

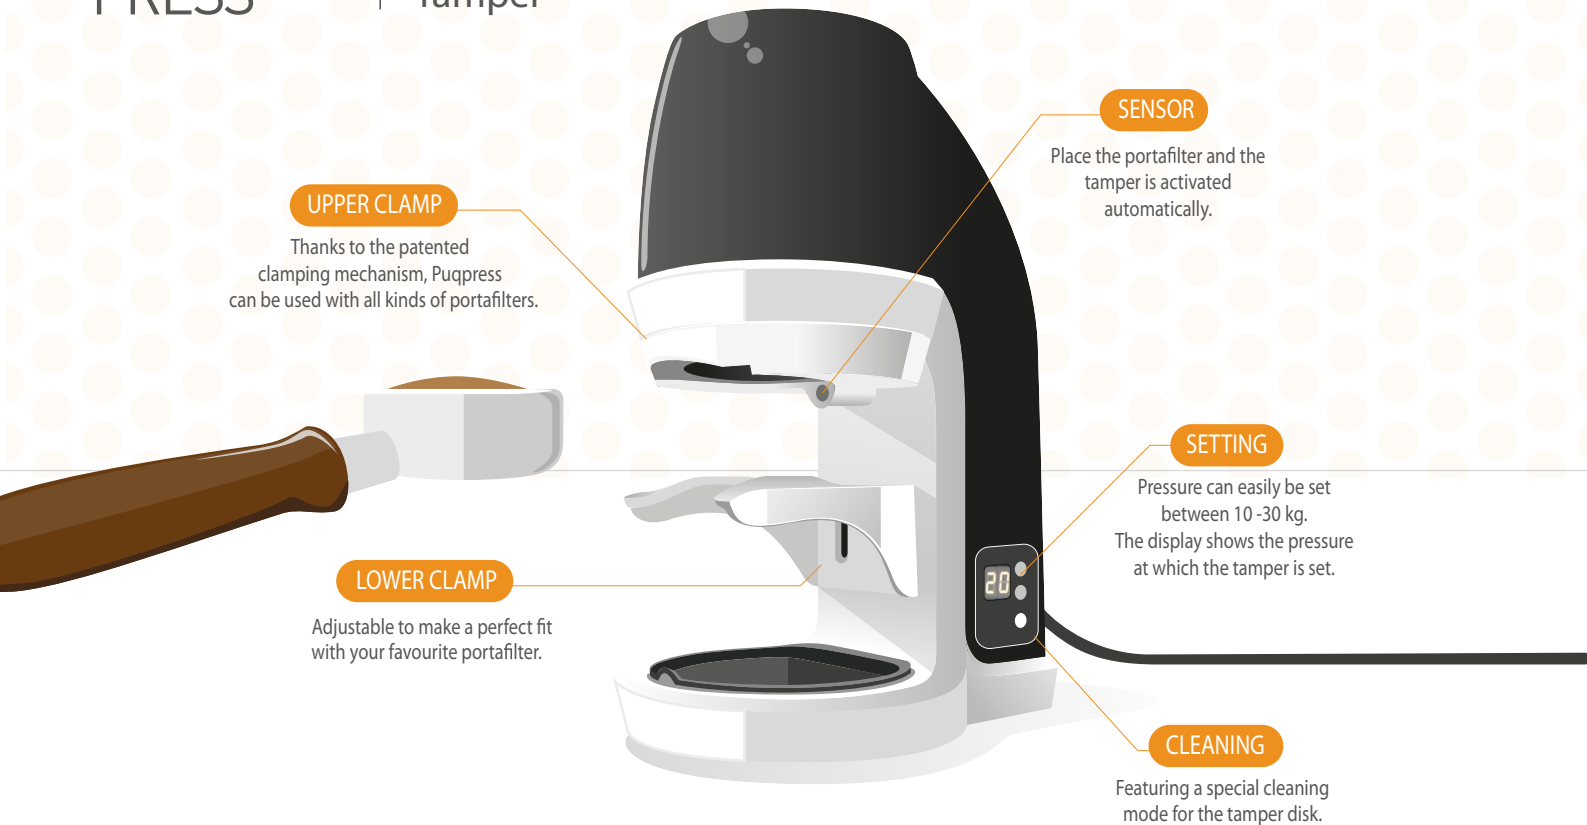

Perfectly level

No more sleepless nights worrying about uneven tamping. Puqpress always applies leveled pressure.
